Have you been able to finish up the review for USG 2016-006203?

I do not think so, but that is ok as the deadline is 4/21/2017. I asked for additional room just in case;)

I believe we are at your final review of responsive records in relativity, and any other items you may find. I have the letter written and ready for review. When we are good with what we are withholding and releasing I can contact David Hoff to produce the records and the log.

Hi Eric,

I hope you had a great weekend.

Where are we with the second FOIA request?

Thanks,

Sarah

Good afternoon,

FOIA 2016-002835 (Red Wing) was closed out on Friday the 17th. FOIA 2016-006203 is near complete. John Summerhays went through his part and now some final QA/QC needs to be performed. I don't think I will have enough time to do that this week (I am only working Monday-Wednesday). This FOIA is currently due on 3/24, so I am going to send the requester a two week extension from 3/24. New due date will be April 7, thoughts?
